How to Play MBD Quarantine Madness 2020 Bracket Game

What is the MBD Quarantine Madness Game?

MBD Quarantine Madness is a single elimination tournament which puts you and your friends' favorite regional breweries head to head for a chance to win the regional and state-wide title!

The brackets have been filled with 16 beers from 4 carefully defined Michigan regions. Each brewery supplied their flagship beer or most popular beer to be entered into a people's choice competition. We need you to fill out the MBD Quarantine Madness Beer 2020 Game sheet to be entered to win a \$100 Michigan Beer Drinker Online Store shopping spree. Once bracket entries have been collected, Michigan Beer Drinker will start the people's choice voting polls on our [Facebook page](#) for each region in Michigan. We will need you and your friends to cast your votes every tournament cycle to see your favorite beers rise to the occasion and win the regional title! If either you or your friends have not completed the bracket sheet you will still be able to cast your votes and join in on the fun! Please remember that you must be at least 21 years old in order to play and win. Warning: best not to have too many beers before filling out the game sheet.

Scoring the Bracket.

Once the bracket entries have ended, Michigan Beer Drinker will start the people's choice voting polls on our [Facebook page](#) for each region in the game. At that time you can vote in the polls to help decide which beer will make it to become the champion. The beers that have received the most votes, continue onto the next round. This format will continue until the champion of MBD Quarantine Madness is declared!
